Parts & Assembly Instructions

Name	Part	Qty	Name	Part	Qty
A Seat		1	D Bolt M6 x 16mm		4
B Chrome Tube		1	Allen key		1
C Base		1			

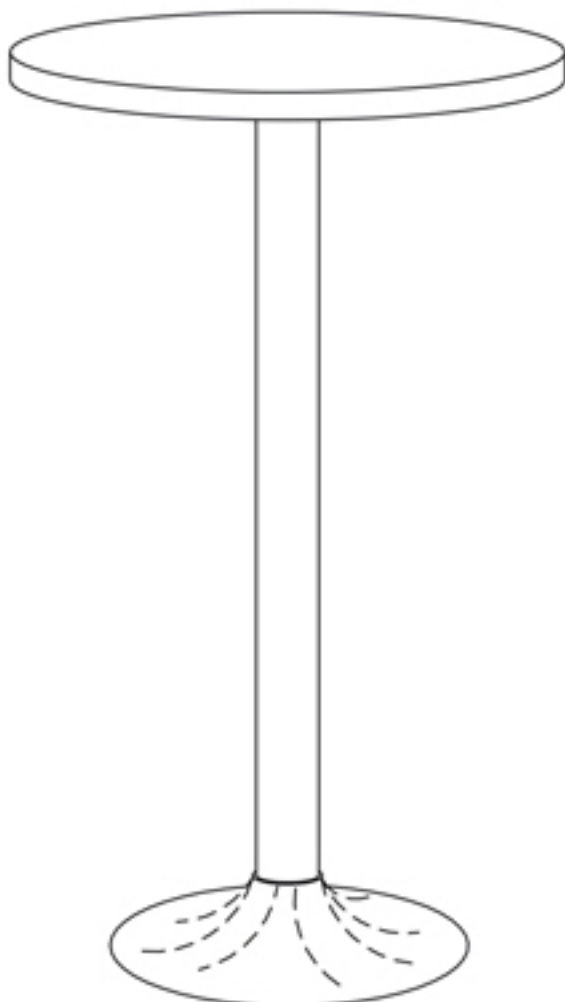

Connect the chrome tube (part B) to the table top (part A) using the 4 bolts (part D) and Alen key provided.

Connect all four bolts before tightening.

Place chrome tube (part B) into the base (part C).

Tighten all screw joints within the first two weeks of use.

Please check each part carefully as damage can occur during shipping. If you receive a damaged part, do not proceed to assemble the chair. Please contact your reseller for assistance.
DO NOT USE THE PRODUCT IF DAMAGED
